Henderson County Sheriff's Office
Detective Ryan Hendrix
End of Watch - September 10th, 2020

Even in passing Ryan continues to exemplify a servant's heart. You see, Ryan was also an organ donor. He will continue to help strangers for a life-time, even after making the ultimate sacrifice.

Ryan's family wants everyone to know:
"Ryan was doing the job he was born to do and he died doing the job he loved."
