

Dear Family in Blue,

Thank you for your kind words of support and generous gift in memory of our son. He understand now - even more - why Justin wore his uniform with pride and honor.

Your donation will be used to help establish several on-going scholarships to support young men and women who also desire to serve and protect their communities like Justin did. We are working with Youngstown State University to put this plan in action.

Thank you - from the very bottom of our hearts.

The Family of

Justin A. Leo

thanks you for your kind expression of sympathy

Sincerely,
David & Pat Leo
