Dear President Johnson,

On behalf of the Henry County Police Department and the family of Officer Michael Smith, I want to thank you and your organization for supporting us in a very sad and chaotic time.

We are so grateful for the countless fellow LEOs who attended Officer Smith's viewing, service and burial. You traveled a great distance to provide emotional and practical support to us in the most difficult of times. Knowing that he will be missed by many makes our hearts lighter and renews our resolve for the fight.

Although the family's immediate future will be learning to live a new normal without their husband and father, your assistance has helped ease some of the financial burden of their loss. This expression of sympathy from the Suffolk Chapter of the Brotherhood of the Fallen, is gratefully acknowledged and deeply appreciated by Mrs. Smith and the Henry County Police Department Family of Officer Michael Smith.

Most sincerely,

*Mark Amerman
