

**City of Biloxi  
Police Department**

*Justice with Dignity*

The current uniform patch of the Biloxi Police Department was derived from a Biloxi Chamber of Commerce Mardi Gras Doubloon and implemented as a patch in 1973.

The patch features the landmark Biloxi Lighthouse surrounded by the eight flags which have governed Biloxi since the city was established in 1699. Clockwise from the top are the Mississippi State, French Fleur-de-lis, British Union Jack, Royal Standard of Spain, Republic of Florida Bonnie Blue, Mississippi Territory, the Confederate States of America, and the United States of America flags.

Today, the patch is worn proudly by the more than 125 officers who serve with the Biloxi Police Department.
