To The Extraordinary Staff of Cabelas,

I am writing to you on behalf of the membership of the Brotherhood for the Fallen, Suffolk County Chapter, to wholeheartedly thank you for your selfless support for our honorable mission.

Too many Police Officers nationwide are violently killed in the line of duty each year. The Suffolk County Chapter of the Brotherhood for the Fallen was organized in an effort to show our respect, honor, and support for these fallen heroes throughout our country. Nationwide our members attend, in uniform, the funerals of Police Officers killed in the performance of their duties and present the family of the fallen with a monetary donation to help supplement income during the initial painful and chaotic time following each tragedy.

On May 5, 2017 I and three other uniformed police officers journeyed down Interstate 95 from Long Island, New York during torrential rains to attend the funeral of Corporal Stephen Ballard. We, along with police officers from all across the country, converged upon the Wilmington, Delaware region during the small hours of the morning when all in your region should be fast asleep. However you, and your staff, opened your doors and your hearts to all of us and took us in from the rain. You provided us with shelter, food, drinks, and the warmth of your compassion; you all cared for us while we awaited the solemn day ahead. Even after all you had done, we looked on in amazement to see your staff braving the downpour to walk along the endless lines of awaiting police vehicles to give the officers inside further refreshments and words of encouragement.

You are an amazing group of people and we are honored to have met you. Thank you again; your kindness will not soon be forgotten.

Respectfully,

James Johnson
President
